Re: Food Service Distribution Changes

Dear Parents/Guardians,

We truly apologize, but for the safety of everyone, we must make another change to further minimize the spread of the coronavirus (COVID-19) and **reduce human interactions**. Breakfasts and lunches will now be distributed for **multiple days at one time** and **ONLY on Mondays and Wednesdays**. The pickup time at every site will remain **8:30 a.m. to 10:30 a.m.** for any individual ages 18 and under.

The next few days are as follows:

- **Starting Monday, March 30th, two breakfasts and two lunches** will be distributed together to provide students with enough food for Mondays and Tuesdays.
- **Starting Wednesday, April 1st, three breakfasts and three lunches** will be distributed together to provide enough food for Wednesdays, Thursdays, and Fridays.
- **For students that live outside of our city limits**, including Arroyo Seco residents, breakfasts and lunches will be delivered at **9:45 a.m.** to the normal bus stops on Mondays and Wednesdays only. They will receive the same amount of meals as stated for students that pick up their meals at the school sites above.
- **Food that has not been picked up from the school sites** will be delivered at **10:30 a.m.** Mondays and Wednesdays only at the current delivery locations. They will receive the same amount of meals as stated for students that pick up their meals.

Our food service department will be serving meals on Monday and Wednesday during Spring Break on schedule as listed above and will also deliver as scheduled.

We will continue this process moving forward until the “Shelter in Place” order has been lifted and students can return to school.

We want to thank you for your continued cooperation to ensure the safety of all of our community. We truly miss ALL of our students and families and we cannot wait to reopen our schools so we can see you again soon!

Thank you,

Zandra Jo Galván
